

MODULE No: 2 “ENGAGE ideas preparation”

NAME “SUSTAINABLE DEVELOPMENT GOALS AND THE LOCAL COMMUNITY”

Annex 3

Form for identifying, defining and analyzing of problems in SDGs fields

SDG number, name	Are there problems in the field of this SDG at your local community? Is there a situation that should be changed in the field of this SDG?	What are the reasons for the problems?	What kind of people I need who can help me to solve or who can suggest me the solutions to solve the defined problems?	How will I check if the problems are real and current? (The aim: to confirm or reject the defined problem, to define a new more topical problem)
				<input type="checkbox"/> <b>Interviewing</b> – Who I will interview?  <input type="checkbox"/> <b>Questionnaire</b> (create an online survey (Google Forms), send by email or social networks) – To whom will I send?

\* SDG – Sustainable Development Goal

## ENGAGE worksheet

SDG number, name	Are there problems in the field of this SDG at your local community? Is there a situation that should be changed in the field of this SDG?	What are the reasons for the problems?	What kind of people I need who can help me to solve or who can suggest me the solutions to solve the defined problems?	How will I check if the problems are real and current? (The aim: to confirm or reject the defined problem, to define a new more topical problem)
