

MODULE No: 3 “ENGAGE idea workshop”

NAME “SUSTAINABLE DEVELOPMENT GOALS IMPLEMENTATION IN THE LOCAL COMMUNITY”

Annex 1

Form for selecting the solution of the SDG problem

SDG number, name and problem

1. Form solutions and alternatives to the SDG problem keeping in mind the cost, expertise, time, available help, and the ease implementing a solution.
2. Explore the pros and cons of each option.

Solutions to the SDG problem	+	-

3. Evaluate all the selected, potential solutions, and narrow it down to one. This step applies two key questions.
 - Which solution is most effective?
 - Which solution would be favored by those who will implement and use it?
-
