

**MODULE No: 3 “ENGAGE idea workshop”**

**NAME “SUSTAINABLE DEVELOPMENT GOALS IMPLEMENTATION IN THE LOCAL COMMUNITY”**

**Annex 2**

## Form for verification of the SDG problem and solution

**SDG number, name**

---

**Defined SDG problem**

---

---

**Selected the best solution to the SDG problem**

---

---

**What kind of people I need who can help me to solve or who can suggest me the solutions to solve the defined problem?**

---

---

**How will I check if the problems are real and current?**

(The aim: to confirm or reject the defined problem/solution, to define a new more topical problem/solution)

**Interviewing – Who I will interview?**

---

---

**Questionnaire** (create an online survey (Google Forms), send by email or social networks) – **To whom will I send?**

---

---

**Sample questions for interview or questionnaire**

1. Is the defined SDG problem a real problem in the local community?
2. If not, what is a real problem in this SDG field?
3. Is the selected solution the best solution in the local community?
4. If not, what could be alternative solutions to the SDG problem?
